

ORGENTEC Diagnostika GmbH is a leading player in the market of In Vitro Diagnostics specialties. Our strength is autoimmune and infectious disease diagnostics with our own automation and growing family of instruments. Starting out in 1988, ORGENTEC has built a reputation and tradition of bringing new products to the market and successfully grow with a global network of distribution partners.

Our team of 130 colleagues in Mainz needs you to work with us to grow our global business in the position of:

International Product Manager – ORGENTEC (f/m/d)

to start immediately.

This makes your day:

- ✓ Be responsible for product management before and after launch of products
- ✓ Plan, execute, support global sales campaigns, Marketing Tours, Road Shows and Conferences
- ✓ Feed and update data collections on markets and trends in IVD reagents and automation - especially in Infectious Disease and Autoimmunity
- ✓ Organize and execute national and international Customer & Distributor-Trainings
- ✓ Support Product development processes with Marketing Plans
- ✓ Develop marketing material, Print, Webinar(s), Seminars, Digital trainings, Applications
- ✓ Technical troubleshooting of products – cooperate with complaint management
- ✓ Coordination and monitoring of R&D, Marketing, Sales for current and new products
- ✓ Be the connecting point for all departments involved
- ✓ Be with our domestic and international customers – be the trusted ambassador of the brand
- ✓ Be a vital part of the sales team and support commercial goals

This is what you bring to the table:

- ✓ Advanced Degree in Natural Sciences (ideally Biology or Biochemistry) or Biotechnology (MS)
- ✓ Comparable training (MTA) with experience in product management or an MBA with experience in a relevant business environment
- ✓ Industry experience in In vitro diagnostics
- ✓ Strong business attitude focused on customers and markets
- ✓ Creativity, energy and patience in solving problems, long-term and short-term
- ✓ Fluency in German and English, in written and oral communication, additional languages a plus
- ✓ Excellent communications skills across different departments, countries, cultures
- ✓ Willingness to travel internationally
- ✓ Of course and very much so: Being a team player, self-motivated and able to start and complete tasks and projects, adhering to deadlines, with a strong will to make a difference and contribute to our joint effort to make ORGENTEC the best specialty diagnostics company in the market.

What ORGENTEC brings to the table:

- ✓ An excellent reputation in the market as an innovative diagnostics manufacturer with products of prime quality.
- ✓ An energetic and team-oriented environment to welcome, support, and challenge you.
- ✓ An exciting product portfolio in reagents and instrumentation with high potential for growth.
- ✓ State-of-the-Art facilities in Mainz – a university-city on the Rhine River with high quality of life.
- ✓ Company fitness program. Good work-life balance.
- ✓ Competitive compensation.

Look forward to a global employer and an attractive salary. Are you interested? Then send us your application in German today, stating your salary expectations and the possible starting date to bewerbung@orgentec.com
